## Video Colposcope

With its bright LED cold lighting system, high-resolution camera and electronic green filter, C3A/C6A Video Colposcope realizes full-screen display of precise cervical examination, offering crucial and accurate information for clinical decision making to the gynecologist.

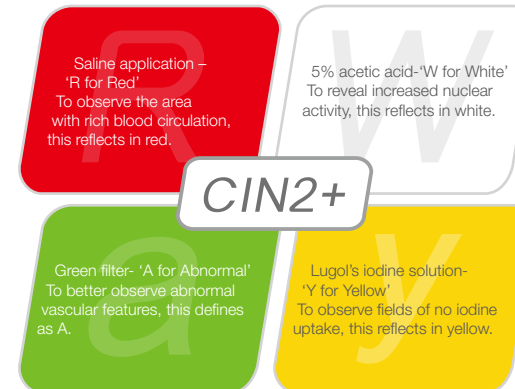

### Features

- LED cold lighting system reproduces an original view of tissue
- Advanced and fast auto-focusing system ensures clear image
- Remote capture control and user-friendly keyboard layout for easy operation
- Electronic green filter enhances vascular image display without compromise of illumination
- Acetic acid and iodine reaction test timer to capture the right and precise image
- Real-time display of magnification
- Powerful image display and data management software

### R-way™

The R-way™ evaluation system reveals the variation of "color" on the cervix to interpret the performance of cervical diseases.

### Patient management software
